Flavours

- Hazelnut
- Neutral

Ingredients

- Water, glucose syrup, milk protein, vegetable oils (rapeseed oil, sunflower oil), sucrose, flavouring, emulsifiers (E 471, soya lecithins), acidity regulators (E 501, E 500), stabilisers (E 460, E 466), antifoaming agent (E 471), ferric diphosphate, zinc sulphate, pantothenic acid, manganese chloride, vitamin E, niacin, cupric sulphate, thiamin, riboflavin, vitamin B₆, vitamin A, sodium fluoride, folic acid, potassium iodide, chromium chloride, sodium molybdate, sodium selenite, biotin, vitamin K, vitamin D, vitamin B₁₂.

Additional considerations:

Oral nutritional supplementation is not suitable whenever enteral nutrition is not permitted such as in acute gastrointestinal bleeding, ileus and shock. Fresubin PRO Drink should be used with caution in severe organ failure with impaired metabolism and severe forms of malassimilation. Fresubin PRO Drink is not suitable for patients with congenital inability to metabolise nutrients contained in Fresubin PRO Drink.

General Information

Food for special medical purposes.

High energy (2.4 kcal/ml), high protein oral nutritional supplement. High in calcium and vitamin D. Clinically free from lactose (<0.8 g/100 ml), low gluten. For the dietary management in case/risk of malnutrition with increased energy, protein, calcium and vitamin D needs e.g. sarcopenia, frailty or age-related musculoskeletal deficits.

Dosage:

1-2 bottles/day for supplementary nutrition, or as advised by a healthcare professional.

Important notice:

To be used under medical supervision. Not suitable as sole source of nutrition. Not suitable for children < 7 years. Use with caution in children < 10 years. Not suitable in case of galactosaemia.

Instruction for use:

Storage: At room temperature. Once opened refrigerate and use within 24 hours. Best served chilled. Shake well before use. Contains milk and soy.
